1. The purpose of this appointment is to examine the horse as is, where is, as presented to the veterinarian on the scheduled pre purchase date.
2. As the purchaser or Agent of the purchaser of the animal identified above, I have the permission of the owner to authorize a pre-purchase examination.
3. I hereby understand that I can refuse or terminate procedures at any time by communicating this to the attending veterinarian.
4. I understand that pre-purchase examinations are usually limited to non-invasive procedures unless authorized by the potential purchaser and not from the current owner of the horse above.
5. I understand that every pre purchase exam is different. A clinical examination and evaluation at walk and trot including flexion and circles are consistent. All other evaluations are tailored to the individual case.
6. I as the potential purchaser have made all of my specific requests regarding my expectations as well as specific tests required clear and to be performed on the horse above.
7. Recommendations by Energy Equine are made based upon experience and, often, findings as the exam progresses.
8. I as the Agent or potential purchaser Authorize Energy Equine to administer agreed upon procedures and tests, including radiographs and/or ultrasound.

9. I understand that even though specific tests are performed it does not mean the disease is not present, it implies that the clinical examination did not indicate that disease would likely be found.
10. I understand it is up to me (said purchaser) to purchase the horse above and not up to the attending veterinarian, it is also my decision whether or not to be present for the examination, thus allowing active participation in the exam.
11. I certify that I have read and understand the rules and regulations as set forth in this agreement. I agree to abide by the rules and regulations and accept all the terms, conditions, and statements of this agreement.
12. I commit to all financial implications associated with this pre purchase exam associated with and agreed upon for the above horse.
